Wampum.

The Belt of Wampum presented by the Indians to WM. PENN at the first Great Treaty after his Landing on the shores of the Delaware was presented a few days ago to the Pennsylvania Historical Society by Granville I. Penn. grand son of the Great Wm. Penn. The presentation was the occasion of a large meeting of the Society and invited guests composed of a string of pieces of beauti-ful muscle shells, which were found on brown, the latter often so dark as to pass the present being removed to the jail in for black. Having first sawed them into square pieces about a quarter of an inch in length and an eighth in thickness, they grind them round or oval upon a common grindstone; then a hole being bored length ways through each large enough the excursion party to Charleston. Over to admit a wire, whipcord, or thin thong mys they are strung like beads, and the string fifty ladies. The celebration at Charlesstrings joined in one breadth, and fastened Wholesale and Retail Confectioner to each other with fine thread, make a white the festivities continue. At Huntsfour inches wide and three feet long, red citizens of the place were at the depot four inches wide and three feet long, red citizens of the place were at the de-containing perhaps four, eight, or twelve soliciting the pleasure of taking home the fathem of wampum, in proportion to its visitors to their houses for the night. required length and breadth. This is Very few of them got a taste of hotel livdetermined by the importance of the ing in Huntsville .- Missouri Republican. subject which these be ts are intended the Europeans, is ratified and made valid on the imagination." The credit system

" vails among the more western nations, words of great importance, frequently of the sincerity of the parties. requiring an explanation. Whenever the speaker has pronounced some important senterce, he delivers a string of wampum adding. 'I give this string of wampum as but the chief subject of his discourse he to a speech thus delivered must also be confirmed by strings and belts of wampum, of the same size and number as those received. Neither the color nor the other qualities of wampum are mat ters of indifference, but have an immediate reference to those things which they are meant to confirm. The brown or deep violet, called black by the Indians, always means something of severe or doubtful import; but the white is the

different subjects contained in the speech. Simile to such Estients than solide, and nothing they more dear for few of themselves, no warmoun upon black and with black wampum upon black, and with black upon the white belts. For example, in a belt of peace, they very dexteronsly represent, in black wampum, two hands joins ned. The belt of peace is white, a fathom long and a hand's breadth. They refer the putter to them as public records, carefully preserving them in a chest made for that purpose. Atcertain season they meet to study their meaning, and to renew the ideas of which they were an emblem or over the purpose. At the purpose ideas of which they were an emblem or over the purpose. The countenance is actually solden and almost destinate—neither mirth or grief over visits it. Should a sound of a voice occur, it is ideas of which they were an emblem of ever visits it. confirmation. On such occasions they set down aroun! the chest, take out the string or belt one after another, handing it about to every person present, and, that they may all comprehend its meanthese means they are enabled to rememing, repeat the words protounced on its ber the promises reciprocally unide by the different parties; and it is their custom to admit even the young boys who li shays all pain and inflamation, is perfectly plain pleasant in its laste and odor, but immediate in its acare related to the chiefs to their assemblies; they become early acquainted with | Helmbold's Extract Buchu all the affairs of the State; thus the con-

PAPER IN HAVANA .--- The manufacture of paper has been commenced in Hayana by a company with a capital of \$300,000. They claim to make paper as good and cheap as that produced in the United States or England. The last arrival says the company has increased there capital to \$400,000. **最下和图用于**

INFANTICIDE.—The development, on Toesday last, of an aggravated case of infanticide in our neighboring town of New Harmony, caused considerable flut ter and excitement in that morally model and usually quite place. The parties implicated are William Taylor and wife. a recently married couple resident of that place. The motive that prompted the

crime appears to have been the same as in the mass of cases of its character, viz: to conceal the shame of the mother. We might give details of the occurence but decline doing so on account of their diswere made. A belt of Wampum was gusting character. The parties were arrested, and upon preliminary trial were composed of a string of pieces of beautiful muscle shells, which were found on the coasts of Maryland and Virginia, and were valued according to the beauty of their color, which was white violet and brown the latter often so dark as to pass
